**OBC Accidental Stick Policy
for
Medical Assisting Students**

1. Wash the area immediately with soap and water.
2. Alert the instructor right away.
3. Assist instructor with filling out an incident report.
4. Sign the incident report.
5. Both the “stickee” and the “sticker” should seek medical attention immediately from either the Health Department or Personal Physician for HIV and Hepatitis B Testing. The sticker should also receive consultation regarding prophylactic treatment.

OBC will not be responsible for charges incurred as a result of this incident. Each student is responsible for their own medical expenses. This applies to both in-school activities and during externship.
